HABITAT LUNCH SPONSOR

\$450

The annual Atlanta REALTORS®-sponsored Habitat for Humanity build provides members the opportunity to become involved with a community service project that directly relates to our industry. Promoting home-ownership is the focus of our association so we encourage you to become involved in this build and participate in this heart-warming experience.

Each Saturday is assigned to a different company to provide a minimum of 40 volunteers to complete the 8 hour work day. Lunch sponsors are recruited to provide the volunteers, with water, Gatorade, lunch, snacks, and all items needed for the work day such as trash bags, hand sanitizer, work gloves, etc. All items and lunch are coordinated by the staff liaison at the Atlanta REALTORS® office.

- Logo on sign that is placed in the yard during each build day.
- Logo on www.atlantarealtors.com/habitat.
- Ability to provide workers from within your firm to join the weekend build.

**BUILDING HOUSES.
CHANGING LIVES.**

Since 1983, Atlanta Habitat for Humanity has built and renovated more than 1,400 homes for more than 5,500 family members, primarily in the City of Atlanta and South Fulton County.

This year, the Atlanta Board will complete our 15th Habitat Home for a local family!
