# CONGRATULATIONS

For 109 years, the Atlanta REALTORS® Association has set an industry standard for professional excellence and for the last 60 years we have gathered to recognize the “Best of the Best” at the annual Top Producers Gala.

The Top Producers program of the Atlanta REALTORS® recognizes the Top 15% of the membership based on their volume and units production in 2018. This year the Association accepted 1,263 applications and recognized a total of 209 new members. The Top 10 Teams and Individuals are recognized for their high level of accomplishment in both the Volume and Units categories. We congratulate our Top 10 recipients for being at the pinnacle of the 2018 Top Producers.
